VISTA

### *Ready to last*

Transparent colors injected in the mass, delivers a long lasting and durable finish

### *Comfortable*

Temple tips covered in soft rubber for better comfort

### *Adaptable*

Manually adjustable temple tips

### *Adaptable*

Mini-strap included for a tight fit

### *Lightness*

35% lighter than acetate frames

### *Flexible*

New patented hinge, the exclusive "S2" made to last. Forget about constant breakages

### *Comfortable*

"Soft" Bridge, non-slip rubber (available on certain models)

### *Unbreakable*

Manufactured with the exclusive and patented SIUFLEX™, material, thermo-adjustable, this unique material makes them "ChildProof"!!

### *S2 Patented*

NANO:frames stand-out from the rest; they have unbeatable features that makes them unique. Two frames in one with the patented "S2" hinge.

# Two frames in one

nano  
VISTA

Nano Vista NANO Frames can be adapted to all uses with temples or switched to wear as a headband:  
From a quiet class room to a rugged playground. They will take the beating day after day!!

## School

### FIXING BY TEMPLES:

All models include temple tips covered in **Rubber Soft** for better comfort and a mini-strap for a tight fit.

## Play

### FIXING BY HEADBAND:

With the **elastic head band**, kids get a firm holding on their heads when they need to-get on the move-at playground time, during sport activities, or just being kids!!
